

St Thomas School

Your OSHC by Camp Australia provides enriching experiences for children during term – before school, after school and on pupil free days. At Your OSHC we give children a supportive space to continue their development, build confidence and socialise with their friends.

What's coming up at Your OSHC this week:

14/8/2023 - 18/8/2023

Monday Tuesday Wednesday Thursday Friday Galaxy | 4.1 National Science Week | 4.5 Mindfulness | 1.2 DIY Galaxy Telescope Design Binoculars Code a Binary Bracelet Paddle Pop Stick Tower **Breathing Bracelets** Make this fun DIY telescope. Create innovative binoculars Design and create a bracelet Using the 15 popsicle sticks and These breathing bracelets are a using bought cardboard items using coloured beads that spell the tape provided, work with great hands on technique to your team to create the tallest "freestanding" tower you can. or recycled paper rolls and out the first letter of their calming down. They remind you string or any recycled items. name using binary code. to breathe through your emotions. National Science Week | 4.5 National Science Week | 3.2 National Science Week | 4.1 Gross Motor | 2.4 STEM | 4.1 Magic Milk Experiment Ball Run STEM Challenge Dodge Ball Construct a cup holder Spinners To watch how the colour and Challenge-build a structure Engineering Challenge - Build a A fun game of duck and weave Make a spinner, see how it spins milk react that can support 2 cups while ball run that takes as long as to miss the ball from various heights getting both off the ground possible for the ball to travel and as far from each other as from the entrance to the exit. possible.
