

Week 5, Term 3

St. Thomas School - Goodwood OSHC

Your OSHC.

ROCKETEERS

A message from your Coordinator

Dear Parents and Caregivers,

Last week we celebrated National Science Week which was an extremely fun and engaging week. Some highlights included interactive experiments such as the 'Coloured Milk' experiment and the 'Erupting Lemon'.

This week we will be celebrating 'Book Week' in collaboration with the school and have some engaging experiences programmed which have been suggested by the children.

I'd also like to take this opportunity to encourage families to ensure bookings are made in advance. Unfortunately, we are receiving lots of last-minute bookings and this impacts our consistent staffing and programming resources so we would appreciate if families can support us by booking in advance where possible.

Moreover, a gentle reminder that parents do not contact the school front office for any last minute OSHC bookings. Please book in advance to secure your spot!

If you have any enquires/questions, please feel free to see me.

Thanks for your cooperation,
Dee

Activities coming up Book Week

- Create your own bookmarks
- Role play masks
- Make a comic book!
- Wheres Wally Hunt

Make a booking

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.
