Time: 10:00am - 3:00pm
Venue: St Thomas School - Goodwood

Nourish & Flourish Day

Today we celebrated Nourish & Flourish as a culmination of our Ready Set Grow Program! What a great start to the year!

[View this article online to read more](#)

From the Principal

With the beginning of this new term we have already enjoyed a number of wonderful community events. It was fabulous for us all to come together during the first week for an Easter Mass celebration and then last week we enjoyed a whole school assembly led by Year 1 classes with a special focus on Mother's day. It was lovely to see so many Mums join us on Friday for morning tea and I hope that you all were treated to a special day on Mother's Day. Our children certainly enjoyed shopping at the Mother's Day stall and we extend our gratitude to the P&F who coordinated and supported this valuable experience for our community. Last week also saw our Year 5 students attend an excursion to Mercedes college following an invitation to join their whole school community for a Mass celebrating their Mercy tradition. Following Mass, our students joined together with their Year 5 classes for a small craft activity before returning back to school. What a wonderful experience for our Year 5's to visit one of our neighbouring Catholic Schools and share some strength of spirit in Mercy tradition with them.

Last week we also celebrated with the joyous news of the election of Pope Leo XIV.

We remember his Holiness Pope Leo XIV in our prayers as he begins this new ministry of communion, with a special intention to bring peace and unity to our world as leader of the Universal Church. Catholic Education Week begins this week with a theme of 'Shine With Open Hearts' where all Catholic schools this week will be highlighting in a variety of ways how we 'shine brilliantly'. At St Thomas we are inviting all our family members to join us for morning prayer in classrooms this Friday. So please come along if you can, begin your day with coffee in the Workshop, followed by prayer in your child's classroom at 9am.

Following on from our very successful Gala in March, we gathered our Gala Committee and Stall Holders late last term for a 'Thank You' event. We were delighted to share with them the wonderful news that our Gala brought in just over \$31,000! Of course, we have expenses to take into account, but with these funds we will be able to purchase new replacement Ipads for our Junior Primary classrooms. These will be very well received by both students and teachers.

Last week we welcomed two new staff members to our team: Ms Loretta Gagliardi, our new Marketing and Communications Coordinator, replacing Mrs Liz Wright who finished at the end of last term. We also welcomed Mrs Marie Smith, our new Canteen Coordinator. Marie has been working tirelessly to get our new canteen up and running, with many of our students already sampling the delicious pasta lunch last week. We will be very excited to launch the new canteen this week, with a start-up menu while we are in the midst of our community consultation process. It has had a sparkling new renovation and is looking very fresh!

We wish our Year 5 Classes a very successful Camp at Mylor over the next two days. I am sure they will have a fantastic time, experience some new activities and hopefully learn more about themselves and each other in doing so.

For the last part of this term I will be on Leave, with Paul Mensforth filling the Acting Principal role, and Mrs Melissa Canil as Acting Deputy Principal. I congratulate them both and wish them well for this time. During my time away I feel very fortunate to be travelling to Europe to visit family, then participating in an educational tour and spiritual pilgrimage coordinated by Catholic Education South Australia. I look forward to attending a Leadership Conference in London on Catholic Identity and Mission, visiting some London schools and visiting some Religious Congregations in Ireland. A visit to Catherine House and the Mercy Congregation in Dublin is sure to be a highlight! I look forward to sharing more with you upon my return.

Wishing you all a great term ahead!

Belinda Burford

Principal

From the Acting Principal

As Term 2 draws to a close, I want to take a moment to reflect with deep gratitude on the many moments of joy, learning and community spirit that have shaped our journey this term. From the many Assemblies, Community Prayers and Masses, which have held wonderful celebrations of our diverse and inclusive community; to the wonderful excursions and classroom experiences, for which we are grateful

to have such a dedicated staff.

Last week, we celebrated with a special group of our students who had prepared for and celebrated their Confirmation as part of the Emmaus Catholic Parish Sacramental Program. Archbishop Patrick O'Regan lead the liturgy and showcased an incredibly comprehensive knowledge of saints and feast days. We look forward to being part of the final part on their journey through the Sacraments of Initiation, when they celebrate their First Communion.

We have also been blessed with the amazing sounds of our instrumental students at our Semester One Instrumental Music Concerts. We hit a new record, with the highest number of students performing in the concert series!

This week, student reports were released, offering a snapshot of the learning and growth that has taken place across our school over the last six months. These reports are a celebration—not just of achievement, but of effort, curiosity and progress. While the grades held in the reports can offer insight, what matters most is how we use this information to discern the next steps in each child's learning journey—together in partnership. I encourage families to engage in rich conversations with their children about what they've learned, what they're proud of, and where they hope to grow next. These conversations will prepare students well for our upcoming Learning Conferences, especially our Year 3-6 students who will lead this conversation with their teacher and parents/caregivers. I encourage families to book-in using the links found on Audiri.

This week, we were also privileged to host an incredibly successful Preschool Professional Learning event, which served as a pre-gathering for the National Reggio Emilia Conference beginning in Adelaide this week. Early years educators from across the region, and across different sectors, gathered to hear from our very own Adam Christie (St Thomas Preschool Coordinator), alongside esteemed speakers Professor Alma Fleet and Anthony Semann; both with whom Adam has recently published the book 'Re-defining Planning and Assessment: Seeing Children Through Pedagogical Documentation.' Their insights into rich assessment and child-centred documentation reaffirmed our commitment to seeing and celebrating every child as a capable, competent learner. (You may be interested in finding out more about the book on the Pademelon Press site: <https://www.pademelonpress.com.au/product/redefining-planning-and-assessment-seeing-children-through-pedagogical-documentation/>)

Another highlight of this week was our celebration of St Thomas Feast Day. The day began with a beautiful liturgy, followed by joyful activities in House Teams that brought students together in fun and aimed to inspire in them an even deeper sense of community. The day was also focused on our support of the Vinnies Winter Appeal. We were deeply moved by the generosity shown through gold coin donations, food items, and clothing—all of which will support our local Vinnies conference and the broader Vinnies Winter Appeal. Your kindness will make a real difference in the lives of those in need in our community.

I would like to take this opportunity to wish Mr Toby Priest the best of luck on his next chapter in the world of politics. Toby will be taking leave for the remainder of the year and the beginning of the next. It has been officially announced, that during this time, Toby will be running a campaign as a new Labour candidate for the seat of Morphett. While Toby is on leave, Mr Sebestyen Maglai will be teaching PE. We wish Toby all the best for this important work and will watch closely over the next nine months. (To find out more, please see the South Australian Government press release: <https://www.premier.sa.gov.au/media-releases/news-items/labor-unveils-candidates-for-five-key-seats>)

I would also like to take this opportunity to thank the all-amazing Mrs Melissa Canil for her compassionate leadership as Acting Deputy Principal over the last five weeks. Melissa's dedication and commitment to students, staff and families has truly been a strength for our community during this time. We wish Melissa all the best on her next adventure as Acting Deputy for Semester Two at St Mark's College, Port Pirie.

We look forward to hearing all the stories of Belinda's adventures upon her return at the beginning of next term. And as we head into a well-deserved break for our students and staff, I want to thank each member of our school community—students, staff and families—for the energy, care and commitment you bring to our shared mission. May the holidays offer rest, renewal and time with loved ones.

(And, don't forget to read every day to enter our Holiday Reading Challenge!)

Go gently,

Paul Mensforth

Acting Principal

From the REC

Dear Students and Families,

On behalf of Caritas Australia, I would like to extend our heartfelt thanks to all the students who participated in our Project Compassion

initiative—whether by returning their donation boxes, submitting Water Challenge slips, or making contributions through the QR code.

Your generosity and compassion have made a meaningful difference in the lives of those who need it most, and we are truly grateful for your support.

If you still have charity money at home, you are welcome to return it at any time during Term Two. Every contribution—no matter how big or small—helps us continue our vital work in supporting vulnerable communities around the world.

Thank you once again for your kindness and commitment to creating positive change.

As many of you know, I will be taking long service leave in Term Two to visit my, and my wife's remaining family in Hungary.

I deeply appreciate all the support and contributions you've offered throughout the term—through liturgies, Masses, fundraising events, the Sacrament Program, and especially the Holy Week liturgies.

I look forward to reconnecting with you all in Term Three.

Warm regards,

Sebestyen Maglai

The Workshop

We Are Open This Friday!

8:30AM - 9:30AM

GREAT COFFEE, FRUIT SMOOTHIES,
TOASTIES & PRE-LOVED UNIFORMS

Kids Karate

First Month **FREE!!**

Why consider Karate For your child?

- **Self Confidence:** As your child accomplishes new goals at their own pace, their confidence level will increase.
- **Better Grades:** following directions & paying attention will help them to become better students.
- **Coordination:** Develop coordination, balance, agility, poise and resilience.
- **Fun:** Karate lessons provide a dynamic and challenging approach for all abilities. We focus on keeping students engaged and included at all times.
- **Self Defence:** We don't promote aggression. Karate teaches children to think instead of panic and how to react to threats such as bullying.
- **Mentoring:** Our instructors are generally parents and fellow junior students. We understand first hand that Children need supportive positive role models.
